

Deep Work: Rules for Focused Success in a Distracted World

- by Cal Newport

“Deep Work: Professional activities performed in a state of distraction-free concentration that push your cognitive capabilities to their limit. These efforts create new value, improve your skill, and are hard to replicate. ”

Page No. 3 | Sunday, January 30, 2022 10:28:28 AM

“Shallow Work: Noncognitively demanding, logistical-style tasks, often performed while distracted. These efforts tend to not create much new value in the world and are easy to replicate. ”
